ABOUT JITM SKILLS:

JITM Skills Private Limited is a pioneer in the field of Skill Training and has been successfully running the skill development programs on PAN India Basis Since 2013. We are awarded NSDC Funded Training Partner and having Pan India Presence with Expertise of providing Placement linked Skill Training in the Field of Apparel, Organized Retail, Electronics, Healthcare, Food Processing, Agriculture etc.

We have successfully conducted various projects of Skill Training including DDUGKY, DDUKK MEGA SKILL CENTRES, PMKVY, PMKK, ESD&P NIESBUD, NULM Gujarat, NULM Haryana, MAEF,TITP JAPAN, CSR FOR NTPC, IOCL,HERO MOTOCORP,NHPC etc. JITM SKILLS Pvt. Ltd. has tie ups with various organizations for providing on the job training & Placement assistance to Trained Candidates.

JITM has developed India's largest Mega Skill Centre in difficult and remote areas like, Jharkhand, J&K, Uttarakhand & North-East States. Today we are one of India's forefront skill training organization. Students and society at large can perceive measurable and notable changes by our trainings. JITM Skills helps students for employment and self-employment.

Through our trainings, industries get trained and skilled manpower. JITM skills work to empower youth to serve the society socially, grow economically and lead a healthy life. We have already trained more than 1,00,000 students ever since we started our operations in various skill sectors.

All our vocational trainings are primarily directed towards empowerment as well as employability of women candidates from weaker and backward sections of societies, minorities and also difficult and insurgent areas. Our expert committee of professionals designs and selects coursewares based on local Industry feedback and requirement. We constantly monitor industry manpower requirements and support their need with our placement cell which constantly maintains a placement track record of over 75%.

Director

Prof. Yogesh Kumar is Director and Founder of JITM Skills Private Limited and possesses more than 25 years of experience in skill development initiatives. Prof. Yogesh Kumar graduated from the prestigious Hindu College, University of Delhi (1981) followed by a Ph.D. in Characterization of Silicon, Department of Physics & Astrophysics, University of Delhi.

Prof. Yogesh Kumar started skill initiatives from April 1989. He has 25 years of rich and diverse experience of working with government, private sector and multilateral institutions in field of Education.

He has successfully completed Various Schemes of Skill Training & Placement Including Manas, NULM, SeekhoAurKamao, ISDS, PMKVY, PMKK.UKSDM etc.

Chief Operating Officer

Manav Chauhan is next generation entrepreneur who leads JITM Skills as Chief Operating Officer and Group Head of Skill Business. In a quick span since his association he has successfully rolled out various profit centre verticals and amalgamated its operations with parent organization knowledge base.

He has been instrumental in rolling out JITM retail ventures, JITM online content channel as well as JITM coaching Institutes of excellence. His vast experience in project development, management and implementation, advisory & consulting roles helped JITM in capacity building & sustainability and ensuring that it delivers on its promise and commitments regardless of challenges.

IMPLEMENTATION MECHANISM FOR CONDUCT OF SKILL DEVELOPMENT PROGRAMME

Mobilization Process

Mobilization of right kind of candidates is key to success of any Skill training Program. JITM Skills is having dedicated mobilization team in every state as well as district. For awareness creation JITM Skills is having team for organizing Road Shows and Nukkad Nataks.

JITM SKILLS takes utmost care to ensure that candidate chooses right Job role as per their Qualification and Current Experience. We mobilize Four Times the number of candidates than the target allotted to us and select trainees who are school dropouts are chosen thru a set mechanism by the donor agency.

After mobilization JITM SKILLS conduct one to one interactive sessions with candidates and their parents. We also discuss with their candidates about Salary Expectations and job preferences. We also make them understand benefits of Skilling and opportunities available for them after doing the course.

JITM SKILLS select only those candidates whose Parents along with Candidate agree to join a job after training completion as per the salary currently offered for that particular Job Role.

ATL (Above the Line)

- Advertisement in Local leading Newspapers

BTL (Below the Line)

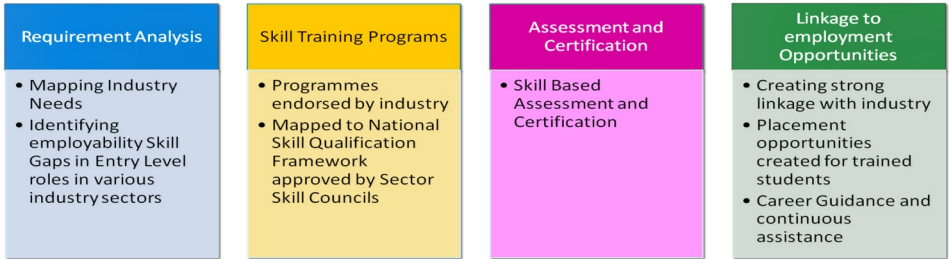

- Road Shows

TRAINING FRAMEWORK

MONITORING

INTERNAL QUALITY AUDIT

- Classrooms Quality Audit
- Machine room/Lab Quality Audit
- JITM Skills follow strong monitoring mechanism for the better running of the Training in different areas.
- Uploading the data of all the trainees in MIS and regularly monitor the training process through Tele-calling, Skype, Video conferencing, surprise visit.
- Weekly test is conducted to assess the progress of the trainees. End of course evaluation is based on project and written test.
- Weekly Feedback is taken from the Trainees and their Parents about the Training Program undertaken by their ward.
- Feedback from trainees and their parents are also regularly monitored.
- Follow up the trainees up to one year of placement for up-gradation of skill and also to check the retention of job. The same is done by regular monitoring through phone and visit to trainees' family and work-place

PLACEMENT

- Proper attention is given for grooming and Personality development
- From Day one itself JITM Skills work to make students mentally strong, eager to get job.
- Students are encouraged to look for openings in Metro Cities also.
- JITM Skills provide Skill Training by professionals as per the need of industry.
- JITM Skills Involves local industry for training and internship of the candidate right from the beginning.
- JITM Skills regularly Invites HR and Technical staff of various recruitment companies on regular intervals during the training period and organizing interactive sessions with the students.
- JITM Skills organizes recruitment meets with Companies and Placement Agencies.
- For the candidates who cannot access internet, job alerts are provided to them through SMS on their mobiles.
- Our job placement record is above 80% and we keep on innovating, supplementing and evolving the new job strategy for placement of Skill purpose.
- JITM Skills Keeps track of all Candidates placed up to 1 year after placement
